The Department of Computer Science & Engineering, NIT Raipur is organizing **13th IEEE International Conference on Intelligent Systems and Embedded Design (ISED-2025)** during **17th – 19th December 2025** for deliberating with distinguished experts in this field. This invitation is open for all academicians, research scholars, post-docs, PG and UG students functioning in the relevant areas. It also provides a premier interdisciplinary platform for researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered, and solutions adopted in relevant areas. The Proceeding of this conference will be published by **IEEE Approved-Conference Record 67359**.

CALL FOR PAPERS

Students, Faculties, Research Scholars, Scientist and Industrial Executives are welcome to submit the full-length paper (6-8 Pages) of their research on any of the following themes although not limited to following areas:

- ◆ **Track 1:** Embedded AI and Machine Learning
- ◆ **Track-2:** IoT and Sensor Networks
- ◆ **Track-3:** Embedded Systems Security
- ◆ **Track 4:** Robotics and Autonomous Systems
- ◆ **Track 5:** Edge Computing and Fog Computing
- ◆ **Track 6:** Emerging Technologies in Embedded Systems
- ◆ **Track 7:** Drone Technologies and Applications:
- ◆ **Track 8:** Medical and Healthcare Embedded Devices
- ◆ **Track 9:** Pollution and Environmental Monitoring
- ◆ **Track 10:** Green Technology and Sustainable Embedded Systems
- ◆ **Track 11:** Recent trends in AI and Machine Learning
- ◆ **Track 12:** Recent trends in Security and Privacy

SUBMISSION

Authors are invited to submit an original full paper (6-8 pages) reporting original researches of theoretical or applied nature using the on-line submission system. The submission should explain the significance of the contribution and contain a list of key references. The manuscripts must be written in English according to the guidelines provided on the website: <https://2025.isedconf.org> and submitted through the Microsoft CMT web-portal using the following link: <https://cmt3.research.microsoft.com/ISED2025>

Conference content will be submitted for inclusion into IEEE Xplore subject to meeting IEEE Xplore's scope and quality requirements.

Interested Researchers/Academician are encouraged to propose Special Sessions on topics of interest, specifying the focus for the session before September 30, 2025.

Contact the conference chair for special session proposals: ised2025@nitrr.ac.in.
